**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We as customers unanimously endorse competitive markets, including for internet providers. We MUST have an alternative to higher lever, inevitably more expensive corporations, especially when they propose monopolies. We as Sonic customers would prefer that you allow their work to go forward as they wish, in order to expand and grow. Don't make this difficult. Just do the right thing.
